Professional Overview:

As a front-end developer, I have the responsibility to improve the overall user experience. I have a strong passion for creating attractive, responsive and most importantly efficient websites.

Experience:

I am looking for my first work experience as a web-developer Intern.

Projects:

- Portfolio Website: Live at <https://4-am-coder.github.io/Portfolio>
Developed a responsive portfolio website using HTML, CSS and JavaScript. Conducted extensive user testing and implemented feedback to improve functionality. The Website is hosted on GitHub Pages.

Practice Projects:

- Calculator: A simple calculator built using HTML, CSS and JavaScript. It is capable of doing basic calculations like addition, subtraction, multiplication and division.
- Temperature Converter: A simple website developed using HTML, CSS and JavaScript to convert temperatures in Fahrenheit, Celsius and Kelvin form to one another.
- Todo App: This website is developed using React Js. Context API is used for the state management. Additionally, it saves the data to the local storage so that added to-dos don't get lost!
- Password Generator: This website is developed using React JS and is capable of generating random passwords according to the required length. You can also choose to include numbers and special characters in the generated password.

Skills:

- HTML, CSS, JavaScript
- Frameworks & Libraries: React.js, Node.js, Tailwind CSS
- Tools: VS Code, GitHub
- Programming Languages: C, C++, Java, JavaScript
- DSA: Array, Vector, String, Stack, Queue, Linked List, Tree, Sorting techniques

Additional Skills:

- MS word, MS excel, MS power point, etc.
- Problem Solving

Education:

- **Bachelor in Computer Application**
M.J.P. Rohilkhand University
2022-2025
- **Intermediate**
I.S.C. Board
2020-2021

➤ **High School**
I.C.S.E. Board
2018-2019

Personal Vitae:

- Gender: Male
- Date of Birth: 27 August 2004
- Languages known: English, Hindi
- Father's Name: Mr. Hira Ballabh Kandpal
- Nationality: Indian

Declaration:

I hereby declare that the above information is true and best of my knowledge and belief.
